From the President, Dt Board, Bangalore
No. C2-69/39-40 dated 15-11-39
Forwards the resolution of the Dt Board to sell 12 feet of land on the Dt Board office compound to the Asiatic Insurance Company Ltd at the highest price prevailing in the locality subject to the condition that a compound wall of the approved design and a drain should be constructed by the Company at their own cost within a period of six months and requests sanction thereto, the rate for the land being fixed at Rs 15 per sq. yard.

1 Sanction of Govt is necessary for the sale of the land in question as per proviso to Section 42 of the Dt Boards Act.

2 Before sanctioning the proposal, it seems desirable to ascertain whether the Asiatic Insurance Company is willing to accept the terms stipulated by the Dt Bd and to purchase the land at Rs 15 per sq yard and if so, an agreement embodying the above conditions may have got to be executed

OFFICE OF THE PRESIDENT,

No. C2-69/39-40

Dated, Bangalore, 15th Novr. 1939.

From

B. ABDUR RAHMON, Esqr., B.A.
President, District Board,
BANGALORE.

The Government of Mysore,

Sir,

Subject:- Grant of 12 feet of land out of District Board Office premises to the Asiatic Government Security, Life Assurance Company Ltd.

I have the honour to state that the application of the Asiatic Government Security Life Assurance Company Ltd., Bangalore for the grant of 10 feet of land out of the District Board Compound contiguous to their building for making a "Way in" was under the consideration of the Board for a long time past. At their meeting held on 4th August 1937 the Board resolved to give away 10 feet of land at a price of not less than Rs. 15/- per square yard. This resolution of the Board was communicated to the Chairman of the Board of Directors of the Company who in his letter No. 10582 dated 7th May 1938 agreed to take up the portion of the land at the rate fixed by the Board. But the land was not given to the Company in accordance with a subsequent resolution of the Board dated 7th September 1938 proposing to resume the land.

While the question stood at this stage, the Chairman of the Board of Directors of the Company renewed in July 1939 his application for the grant of 10 feet or more of the land undertaking at the same time to put up a compound wall and a

a drain for storm water at the cost of the Company. While considering this application, the Board resolved at their meeting held on 26th July 1939, to give away 8 feet of land in width at a rate the President would think reasonable.

When the Board's resolution was communicated to the Company, the Chairman of the Board of Directors stated in his letter No. 15179 of the 2/4th September 1939 that the 8 feet of land sanctioned would not be of much use, as after reserving 2 feet for compound wall and drain, the 6 feet of it that would be left would be too small for them to put up a gate and accordingly requested that 12 feet of land might be given to them. The subject was placed before the Board at their meeting held on 19th September 1939 when they resolved that 12 ft. of land might be sold to the Company at the highest rate prevailing in the locality on condition that compound wall of an approved design and the drain be constructed by the Company at their own cost on their land within a period of six months.

Copies of the Board's resolution dated 4th August 1937, 7th September 1938 and 19th September 1939 are submitted herewith for favour of information of Government.

The bit of land finally decided to be sold to the Company measures about 240 feet by 12 feet. With regard to the rate to be fixed to the sale of the land it may be stated that in view of the Company having already agreed to take up the land at Rs. 15/- per Square Yard and of their undertaking to put up the Compound wall and drain in their land to lead off storm water, I request you to be so good as to obtain sanction of Government to sell 12 feet of land at Rs. 15/- per Square yard.

Sir,

With reference to your letter No. L. 5696 dated the 21st December 1939 in regard to the sale of 12 feet of land in the District Board Office Compound to the Asiatic Assurance Company Ltd., I have the honour to forward herewith as desired, a plan showing the land proposed to be sold to the Company. After the sale of 12 feet of land 58 feet of land will be still left from the western end of the building.

As regards the conditions stipulated by the Board, the Chairman of the Board of Directors of the Company has stated in his letter No. 15179 dated the 2/4th September 1939 that they would put up the Compound wall and drain in their site at their own cost provided 12 feet of land is granted to them. The Company have agreed to the rate of Rs. 15/- per square yard in their letter No. 10582 dated the 7th May 1938.

I may add in this connection that I had a talk with the Chairman of the Board of Directors and the Engineer of the Company after the District Board Meeting held on the 19th September 1939. They both have expressed their acquiescence to the rate of Rs. 15/- per square yard as agreed to by them, and also to construct the Compound wall and the drain in their

their site at their own cost.

Under these circumstances I request you to be so good as to obtain sanction of Government to the resolution of the Board for selling the land at Rs. 15/- per square yard.

Letter No. C2-386/36-37 dated the 21st April 1938 from the President, District Board, Bangalore to the General Secretary and Manager, the Asiatic Government Security Life Assurance Company Ltd., Asiatic Buildings, Bangalore City.

With reference to your letter No. 5408 of the 4th instant in regard to the grant of 10 feet of land right through from and out of the District Board site contiguous to your Office buildings, I have only to reiterate that the District Board have after fully considering all aspects of the question resolved that the bit of land may be sold at not less than Rs. 15/- per square yard. I may just add that in view of the sites in the same locality having fetched a rate ranging from Rs. 6-0-0 to Rs. 20/- per square yard according to their situation at the Public auction held by Government, the price already fixed by the Board is not unreasonable and it is not therefore possible to be reduced any further.

Under these circumstances, please let me know the decision of your Board if they are agreeable to this offer, so that I may address Government in the matter for necessary orders.

Letter No. 15179 dated the 2/4th September 1939 from the Chairman, Board of Directors, the Asiatic Government Security Life Assurance Company, Ltd., Bangalore, to the President, District Board, Bangalore.

Further to our letter No. 14496 dated 23rd August 1939 we are pleased to note that your Board have agreed to give us 8 feet of land. But in this connection we may be permitted to remind you that our request was for at least 10 feet of clear land to put up a compound wall and drain on your side. As personally explained the 8 feet proposed is not going to be of much use, as after reserving 2 feet for compound wall and drain, only 6 feet would be left. This space is too small for the gate and the difficulty of making an approach as such has been explained to you personally.

It was for providing a gate way of 12 feet at that end as desired by our esteemed Dewan Saheb, we have been addressing you for a long time for the grant of ten feet of clear land with permission to put the compound wall and drain on your site. If this arrangement is not agreeable to you, we shall endeavour to adjust everything in our own portion provided 12 feet of land is granted to us.

As regards the price we are willing to pay the highest average prevailing in the neighbourhood. and you will agree with us that this is a reasonable basis for negotiation.

As this question has been pending for a long time, we shall be grateful if you could give this your earliest consideration.

Thanking you.

We would be very much obliged to be informed as to when we may get the portion of land requested for. We would like again to state that the Board has sanctioned the purchase of the land at a cost not more than Rs. 15/- per square yard and has authorised me to negotiate for the same. It is needless to say that any concession in lowering the above rate will be highly appreciated.
